84 STATE STREET. MONTPELIER "Please Pass the Butter"

Butterfat is quoted to-day at 67c per pound. Butter is high and is going higher right along, because it is the most necessary and valuable food fat in existence. The government has asked for 60 per cent of the butter in storage to be set aside for the boys in the army and navy. (This means that the rest of us will get along with what is left.) This means that the man with even one or two cows is interested in a Cream Separator as never before. It is not right to waste a single ounce of butterfat when it is needed so badly by our boys in the army and navy, as well as ourselves. There never was a better or more profitable time for a man, even with one or two cows, to buy a Cream Separator, for you need a new MALE HELP WANTED-Steady work and buy a Cream Separator, for you need a new DE LAVAL SEPARATOR and you need it right now. Latest improved De Lavals now in stock. Remember, we ex-
